BRIEF ESSAY QUESTIONS

Our goal is to learn more about your background and be able to determine if you will benefit from the internship experience that PBI has to offer. We also wish to select interns that best fit PBI's current needs and long-term mission. Our goal is to select interns who will flourish in the work environment that PBI offers. Succinct responses are preferred. There are no right answers to these questions.

1. Why would you like to work with Pacific Biodiversity Institute?
2. What would you like to gain from your internship experience at PBI?
3. What are your current career ideas or goals?
4. What projects have you worked on (in school, at a job, or otherwise) that have been the most satisfying to you and why?
5. What is your experience with landscape analysis, GIS and/or remote sensing? Would you like to develop more skill in these areas?
6. What is your experience in ecology, botany, wildlife biology, forestry? Would you like to develop more skill in these areas?
7. If you have been involved in any conservation/environmental organization or cause, tell us a little bit about your experience.
8. How do you feel about living in a rural mountain environment?
9. Briefly describe one of your most exciting or enriching experiences.

Mail this completed application, a copy of your resume, a list of 3 references, and a copy of your college transcripts to: **Pacific Biodiversity Institute, P.O. Box 298, Winthrop, WA, 98862**. You may also fax this application to **(509)-006-3778**. If you have any questions, call (509)-996-2490.
